SPEAKER NICHOL: The question is, shall LB 363 advance. All those in favor, vote aye. Opposed, nay. Senator Fenger.

SENATOR FENGER: We have a record vote on this issue, please?

SPEAKER NICHOL: Yes. You didn't want a roll call, just a record vote, right? Okay. Have you all voted? Have you all voted that wish to? Record, Mr. Clerk.

CLERK: Mr. President, record vote given. (See pages 2013-14 in the Journal). 29 ayes, 11 nays, Mr. President, on the motion to advance the bill.

SPEAKER NICHOL: LB 363 advances. We'll return back to 628. You want to read something in, Mr. Clerk?

CLERK: Mr. President, LR 120 offered by Senator Richard Peterson calls for, (read LR 120) (See page 2014 in the Journal). Enrollment and Review reports 146 to Select File. SENATOR DECAMP: Mr. President, there are two sets of amendments up there. One is, of course, the committee amendments and the other proposal is, is my amendments with the things we discussed earlier. And so you understand exactly what I'm suggesting and what I'm doing, because you can only adopt a specific amendment. My amendments are written around or designed to amend the committee amendments. So the first thing would be to adopt the committee amendments and then advance the bill and then adopt my proposed set of amendments. Those do the things I described to you which are the following. Number one, they retain for the Department of Economic Development or they provide for them \$125,000 that this Legislature voted on once. Two, maybe most significant, they provide a two and a half percent salary increase for state employees. They also provide a two and a half percent salary increase for
